

**Christ is Risen! Χριστός ἀνέστη! Христос Воскресе!
Христос Воскресе! Hristos a Înviat!
¡Cristo ha Resucitado! Христос Възкреси!**

Dear Brothers and Sisters in the Risen Lord,

Today, the entire Orthodox world joyously celebrates the Feast of Feasts, the new Pascha of Salvation, and thus joyfully glorifies the Source of Life - The Resurrection of our Lord Jesus Christ. «*Christ is Risen*». These words unite heaven and earth, creation with the Creator, mankind with God. The Resurrection of Christ strengthened the faith of the apostles and through them, the faith of all Christians in the world.

It is with deep sorrow that we are witnessing Russia's violent attack on the much-suffering people of Ukraine, resulting in loss of civilians and mass devastation. Every day we hear about the rising number of innocent children, women and men killed. Now, it is very important for us to continue to have faith and hope that this bloody war will soon end. May the light of the Resurrection illumine the hearts of all people so that we may rejoice with all in love, peace and concord through the Son - the Word of God, Who is the Light of the world, the Truth and the Life.

In the darkness, in the middle of the Paschal night, we are illumined by the resplendent Light which is Christ. The glorious joy of the Resurrection enlightens our hearts and shines light wherever there is darkness.

I pray the Risen Lord to protect you and your family.

Indeed He is Risen!

V. Rev. Mykola Bodnarchuk
